CHINOOK

*"The Best Built, Class C Motorhome
 in the World."*

Destiny

2400
BY CHINOOK

The handling of a luxury sedan, performance of a sports car and all the comforts of home.

Less driving fatigue and ready to enjoy when you get to your destination. Just fits and feels good to drive – 8'6" wide, 10' high, 24' long. Can be parked and driven like a van or sport utility vehicle, but with all the appliances and capacities of larger coaches.

One-piece molded clear coated/gel coated Fiberglass body. Aerodynamic design – better fuel economy, less chance for water leaks, easier to clean and maintain, more stable in adverse weather conditions, durability, structural integrity and safety second to none.

Arctic foam insulation throughout floor, walls and ceiling – for that just right feeling, either in cold or warm climates. The right way to insure proper insulation in an RV.

CHINOOK RV celebrating over 40 years of manufacturing quality motorhomes – automotive quality, long term products with high resale value.

The highest level of safety available in RV's today. Fully meets all FMVSS, CMVSS, CSA, Chevy QVM and RVIA standards.
